CLASSES/WORKSHOPS FOR ADULTS

Basics of Watercolor—Taught by Peggy Bishop

This 4-part session will teach the basics of watercolor, including elements of color theory, composition and materials selection. This course would be perfect for someone who is completely new to watercolor painting but would also be a good refresher for someone who has not used this medium in some time. The class is given on 4 consecutive Saturdays, February 10, 17 & 24 and March 2nd from 9am – 12 pm. The fee for the course is \$150 plus \$25 for art supplies. To register, visit <https://studio645lex.com/new-page-1>

Watercolor Valentine's Day Cards—Taught by Peggy Bishop

This fun workshop is a continuation of our popular watercolor Christmas card workshop. In this workshop, you will paint 3-4 Valentine's and will practice basic watercolor techniques. The workshop is given on January 13 from 9-1. The fee for this workshop is \$50 plus \$10 for art supplies. To register, visit <https://studio645lex.com/new-page-1>

Still Life Painting—Taught by Peggy Bishop

In this half day workshop, you will learn (or practice) basic watercolor skills as you complete a still life painting. Again, this class is good for beginners as well as more advanced painters who just need to brush up. The workshop will be given on March 9 from 9:00 am – 1:00 pm. The fee for this course is \$50 plus \$10 for art supplies. To register, visit <https://studio645lex.com/new-page-1>

Self-Expression through Acrylic Painting—Taught by Patti Edmon

This two-day workshop will take place on January 27 from 9:00 – 4:30 pm (includes a break for lunch). In this workshop, you will explore the elements of composition, color theory and mark making. You will learn how to “let yourself go” and play with the paint to create a piece that is uniquely you. The

fee for this class is \$100 plus \$25 for supplies. Bring your lunch and join Patti for this fun day. To register visit <https://studio645lex.com/new-page-3>

Gelli Plate Printing—Taught by Constance Grayson

In this workshop, you will be introduced to the fun world of mono-printing with a gel plate. WARNING, this may well begin a life-long obsession with this fun and user-friendly art technique. We will explore the use of everyday objects, such as paper towel rolls and combs, to create marks on our prints. You will make multi-level prints where you continue to build upon the previous layer. The resulting print can either be framed, used for card making or wrapping paper, or for other projects. This workshop will be given on January 20 from 9:00 am – 12:30 pm. The fee for this class is \$50 plus \$10 for art supplies. To register, visit <https://studio645lex.com/new-page-22>

Collage Landscapes—Taught by Constance Grayson

In this half-day workshop, given on February 3 from 1:00-4:30, you will learn the exciting art of paper collage. You will take bits and pieces of paper and other found items and incorporate them into a landscape painting. The fee for this workshop is \$50 plus \$10 for art supplies. To register, visit <https://studio645lex.com/new-page-4>

Abstract Painting—Taught by Constance Grayson

This 8 hour workshop, taught over two consecutive Saturday afternoons, will introduce you to the freedom and excitement of abstract painting. We will discuss color theory, composition, texture and other elements of abstract painting. You will complete a painting during this workshop. The workshop is geared for both beginning painters and for those who would like to explore this technique. The workshop is given from 1:00-5:00 pm on February 10 and 17. The fee is \$100 plus \$25 for art supplies. To register visit <https://studio645lex.com/new-page>

Art Journal Collage—Taught by Constance Grayson

Journalling is a marvelous way to provide self-care and a good habit to cultivate. You will begin your journey by creating your own, own-of-a-kind, journal. You will utilize the technique of collage to make this journal. During the workshop, we will discuss prompts to help you begin writing in your journal and ways to incorporate this into your daily lives. The workshop will be given on January 20 from 1:30-4:30 pm on Saturday, January 20, 2024. The fee is \$50 plus \$10 for art supplies. To register visit <https://studio645lex.com/new-page-5>

Studio 645 Junior Artists-Taught by Hope Soch

In this 5 session class, taught by art educator Hope Soch, your kids will learn about the work of a different artist each week and will create one or more art pieces in the style of that artist. Early in the week before the class, your child will receive in the mail a newsletter that will give a brief biography of the artist for that week, show examples of his/her work and give the children art exercises that they can do at home. Then when they attend the class, they will learn more about the artist's work and create their own

art. The final Sunday of the course will end with a small exhibit of the children's art and a reception for family and friends. The class will be given from 1:00-2:30 on January 28, February 4, 11 & 25 and March 3. Cost for the course is \$200 which includes all supplies. To register visit <https://studio645lex.com/junior-artist-program>

Passport to Art—Taught by Hope Soch

In this 5 session class, taught by art educator Hope Soch, your kids will learn about art from various countries around the world. Each week, the class will “visit” one or more countries, locate the countries on a globe, learn a bit about the culture from that country and create art work based on the art traditions in each country. Your child will receive a passport issued by Studio 645 that will be stamped with each country visited in the course. The final Sunday of the course will end with a small exhibit of the children's art and a reception for family and friends. The class will be given from 1:00-2:30 on January 28, February 4, 11 & 25 and March 3. Cost for the course is \$200 which includes all supplies.
